Letter to Law Enforcement

To Whom it may concern,

Excor Partners - consisting of KMS Ag Consulting and Airlie CBD, LLC - is an Oregon business specializing in the distribution of Hemp-derived CBD (cannabidiol), CBG (cannabigerol) and D8 (Delta 8-THC) products compliant with the 2018 Farm Bill.

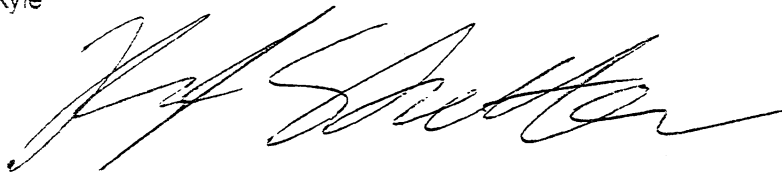

What is contained in this package might look like marijuana, but it is actually legal industrial hemp flower and/or hemp-derived products. Recent historic legislation establishes the legality of industrial hemp produced in state pilot agricultural programs. Congress provides the requisite definition for allowable amounts of THC. industrial hemp' means the plant *Cannabis sativa L.* and any part of such plant, whether growing or not, with a delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis". An important legal distinction also appears in the first sentence of this bill, stating: "Notwithstanding the Controlled Substances Act (21 U.S.C. 801 et seq.), the Safe and Drug-Free Schools and Communities Act (20 U.S.C. 7101 et seq.), chapter 81 of title 41, United States Code, or any other Federal law". The term "notwithstanding" was widely used by the 114th Congress as a way to supersede previous laws that may apply, without going through the process of overturning them. This confirms that hemp cannot be considered "marijuana" under the CSA.

Consolidated Appropriations Act, Sec. 763 (2016) This legislation was the omnibus federal budget for FY2016. According to 7 U.S.C. §5940, the term "industrial hemp" means the plant *Cannabis sativa L.* and any part of such plant, whether growing or not, with a Delta-9 tetrahydrocannabinol (Delta-9 THC) concentration of not more than 0.3% on a dry weight basis. Only the Delta-9 THC level is relevant, not Delta-8 or THC-A. This hemp flower has a Delta-9 THC level well below 0.3% on a dry weight basis, therefore, this flower is hemp, not marijuana, and is perfectly legal to possess and sell. This right applies in any state pursuant to the Full Faith and Credit Clause, Article VI, Section 1 of the Constitution, the Supremacy Clause, Article VI, Section 2 of the Constitution, and the Equal Protection Clause, Section 1 of the Fourteenth Amendment.

To verify our claims, please refer to all lab tests contained within this shipment. We have also provided a copy of our 2020 Hemp Handler and Seed Handler license.

For further questions feel free to contact us directly via email or phone.

Sincerely,
Kyle
